

# SAFE FAMILY JUSTICE CENTERS BOYS COUNCIL

## ONLINE!

The Council is a strengths-based group approach for boys and youth from 11 to 14 years old who identify with male development to promote their safe and healthy passage through pre-teen and adolescent years. The Council meets a core developmental need in boys for strong, positive relationships. In this structured environment, boys and young men gain the vital opportunity to address masculine definitions and behaviors and build their capacities to find their innate value and create good lives - individually and collectively.

This group is now temporarily offered online.
